**Subject:** CORA request: Brady/Giglio/potential impeachment disclosure list

To whom it may concern:

This is a request for records pursuant to the Colorado Open Records Act § 24-72-201 et seq. I am requesting a copy of the following records:

- The "*Brady* list," "*Giglio* list," "potential impeachment disclosure list," or any other record(s) maintained by the Office of the El Paso County District Attorney setting forth information on all peace officers in your office's jurisdiction whose involvement in a criminal proceeding must be disclosed as potentially exculpatory evidence in accordance with *Brady v. Maryland*, 373 U.S. 83 (1963) and *Giglio v. United States*, 450 U.S. 150 (1972). Where possible, please include all information on these officers as reflected in your list, including: the officer's full name, agency of employment, date of inclusion on the list, and description of the reason for inclusion on the list.

If possible, please provide the responsive records in an electronic format via email to [sreilly@usatoday.com](mailto:sreilly@usatoday.com).

If there are any fees for searching or copying these records, please inform me before filling this request. If you deny any or all of this request, please cite each exemption you feel justifies the denial and notify me of the appeal procedures available to me under the law.

As you are aware, under CORA the custodian is required to set a time for inspection **within three business days** of receiving a public records request, unless extenuating circumstances exist to request an extension for ten business days.

Please do not hesitate to contact me by email or on my cell phone (610-547-0001) at any time if you would like to discuss the request or have any questions.

Sincerely,

Steve Reilly
